Heatwave

Wilkinson

I'm feeling like Mike Skinner, lights flicker, blinking like a mic Get a high quicker, let the heat just creep in Spitting white liquour, pasty like a knife, and I'm drinking like a life I'm done messing with these Radiohead bends Sweaty bullets, it's colder than this room Tryna locate the door that I came through but now the wall's Shapeshifting based on dope shit, T-shirt's salting Losing mostly all my focus, blowing smoke, Calvin Broadus Mind tripping like two left feet, bad decisions like who, ya, me? I'll honour sleep [?] [?] [?] Now we're packed inside a sardine can Heartbeat right about 1000RPM Can't talk but I still walk straight, got the buzz Said you're hot as fuck, but that's not hot enough No we'll never stop fighting till there's nothing left Yeah, it's getting hot, that's the way we like it best Make em sweat, make em sweat, make em sweat, make em sweat Make em sweat, make em sweat, make em sweat, make em sweat No we'll never stop fighting till there's nothing left Yeah, it's getting hot, that's the way we like it best Make em sweat, make em sweat, make em sweat Make em sweat, make em sweat, make em sweat Yeah we're messed up and maxed out, bass pumping that loud Mashing till we're right about to pass out Yeah I'm breathless and half dead, sweating but that said Too many drinks I haven't had yet Totally wired, overly fried My eyelids like [?] now they're opening wide Swam standing up but see I'm feeling like I'm falling And if life is but a dream, I'm waiting for the next installment Everybody says to move slow but my brain's on triple speed Blue streak and a go-glow fixing what I don't-don't know But my senses have the tendency of fooling me Tomorrow's never promised and tonight let's get demolished Blazing, innovating, faded, whatever you call it Solid, yeah I still walk straight, got the buzz Said you're hot as fuck, but that's not hot enough No we'll never stop fighting till there's nothing left Yeah, it's getting hot, that's the way we like it best Make em sweat, make em sweat, make em sweat, make em sweat

No we'll never stop fighting till there's nothing left Yeah, it's getting hot, that's the way we like it best Make em sweat, make em sweat, make em sweat Make em sweat, make em sweat, make em sweat

Make em sweat, make em sweat, make em sweat, make em sweat
