

# Hypnotic

Wilkinson

I smoke, you blow  
My imagination takes control  
Both eyes are closed  
But I'm blinded by the lights  
I take my time though  
I don't wanna waste the high, no  
I don't wanna waste the high, no

Oh, it's so hypnotic  
Oh, it's so hypnotic  
Oh, it's so hypnotic  
Oh, it's so hypnotic  
Oh, it's so hypnotic  
Oh, it's so hypnotic  
Oh, it's so hypnotic  
Oh, it's so hypnotic

Oh, it's so hypnotic  
Oh, it's so hypnotic  
Oh, it's so hypnotic  
Oh, it's so hypnotic

You pour, I drink  
Temptation got me so  
Don't overthink  
Let the darkness reignite

We take our time though  
We don't wanna waste the high, no  
We don't wanna waste the high, no

Oh, it's so hypnotic  
Oh, it's so hypnotic  
Oh, it's so hypnotic  
Oh, it's so hypnotic

Oh, it's so hypnotic  
Oh, it's so hypnotic  
Oh, it's so hypnotic  
Oh, it's so hypnotic
