

In the Dark

Wilkinson

You pick me up 'cause you know that I'm down for it
Your burning eyes fill me with fire
Open your arms and you know I'll fall into them
'Cause I always fall for the ones that can't be around and haven't figured you out

I don't wanna know, I don't wanna know
I don't wanna know, I don't wanna know, no
I'm already into far, I've already fallen hard
So I don't wanna know, I don't wanna know
I don't wanna know, I don't wanna know, no
I don't wanna know who you really are
You better leave me, leave me, leave me in the dark
Leave me in the dark

I don't wanna know, I don't wanna know
I don't wanna know, I don't wanna know, no
I'm already into far, I've already fallen hard
So I don't wanna know, I don't wanna know
I don't wanna know, I don't wanna know, no
I don't wanna know who you really are
You better leave me, leave me, leave me in the dark
Leave me in the dark

You pick me up 'cause you know that I'm down for it
Your burning eyes fill me with fire
Open your arms and you know I'll fall into them
'Cause I always fall for the ones that can't be around and haven't figured you out

I don't wanna know, I don't wanna know
I don't wanna know, I don't wanna know, no
I'm already into far, I've already fallen hard
So I don't wanna know, I don't wanna know
I don't wanna know, I don't wanna know, no
I don't wanna know who you really are
You better leave me, leave me, leave me in the dark
Leave me in the dark

I don't wanna know, I don't wanna know
I don't wanna know, I don't wanna know, no
I'm already into far, I've already fallen hard
So I don't wanna know, I don't wanna know
I don't wanna know, I don't wanna know, no
I don't wanna know who you really are
You better leave me, leave me, leave me in the dark
Leave me in the dark
Leave me in the dark
