

Only the Innocent

Wilkinson

It's only the innocent
It's only the innocent
It's only the innocent
It's only the innocent

It's only the innocent
It's only the innocent, oh
Soon to get hit again
Soon to get hit again, hard
It's only the innocent
It's only the innocent, oh
We're looking for Heaven when
Heaven's in our hearts
Heaven's in our hearts

It's only the innocent
It's only the innocent, oh
Soon to get hit again
Soon to get hit again, hard
It's only the innocent
It's only the innocent, oh
We're looking for Heaven when
Heaven's in our hearts
Heaven's in our hearts

Oh, yeah, mmm
Ooh, Heaven's in our hearts
Oh, when
Ooh, ooh

Heaven's in our hearts
Heaven's in our hearts

It's only the innocent
It's only the innocent, oh
Soon to get hit again
Soon to get hit again, hard
It's only the innocent
It's only the innocent, oh
We're looking for Heaven when
Heaven's in our hearts
Heaven's in our hearts

Let's lay our feelings down
And talk it over
Let's lay our weapons down
And surrender
