

## Only the Innocent

Wilkinson

It's only the innocent  
It's only the innocent  
It's only the innocent  
It's only the innocent

It's only the innocent  
It's only the innocent, oh  
Soon to get hit again  
Soon to get hit again, hard  
It's only the innocent  
It's only the innocent, oh  
We're looking for Heaven when  
Heaven's in our hearts  
Heaven's in our hearts

It's only the innocent  
It's only the innocent, oh  
Soon to get hit again  
Soon to get hit again, hard  
It's only the innocent  
It's only the innocent, oh  
We're looking for Heaven when  
Heaven's in our hearts  
Heaven's in our hearts

Oh, yeah, mmm  
Ooh, Heaven's in our hearts  
Oh, when  
Ooh, ooh

Heaven's in our hearts  
Heaven's in our hearts

It's only the innocent  
It's only the innocent, oh  
Soon to get hit again  
Soon to get hit again, hard  
It's only the innocent  
It's only the innocent, oh  
We're looking for Heaven when  
Heaven's in our hearts  
Heaven's in our hearts

Let's lay our feelings down  
And talk it over  
Let's lay our weapons down  
And surrender
