

Almost Like Being In Love

Will Downing

I'm smiling, my friends say I'm losing my mind
But it feels like I'm walking on sunshine
Since she's come into my life

I call her five or six times in one day
For nothing at all, not much to say
Just to let her know she's on my mind

And ooh, the feeling I feel I don't quite understand
I lose my mind with the touch of her hand
To talk on the phone isn't really enough
I guess that it's almost like being in love, in love

I'm floating, doing strange things without knowing
Don't know if I'm coming or going
Feels like I'm turning inside

I can't eat and when I close my eyes I don't sleep
Been dreaming of places we can meet
Maybe under the moon and the stars

And ooh, the feeling I feel I don't quite understand, look
I lose my mind with the touch of her hand
To talk on the phone isn't really enough
I guess that it's almost like being in love, in love
In love, in love

And ooh, the feeling I feel I don't quite understand
I lose my mind with the touch of her hand
To talk on the phone isn't really enough
I guess that it's almost like being in love

The feeling I feel I don't quite understand
(No, no, no, no, no)
I lose my mind with the touch of her hand
To talk on the phone isn't really enough
I guess that it's almost like being in love, in love
In love, in love

Like being in love, in love, in love, love, love, love
In love, in love, in love
Like being in love, in love, in love
In love, sweet, sweet, sweet love
Like being in love, in love, in love, in love
