Don't Talk To Me Like That

Will Downing

I wish I could be like a statue when you're over here Stone silent, I'd wait to hear your secrets and understand Why your words cut so deep, only you can, ohh, talk to me

Don't you talk to me like that Don't you talk to me like that Don't you talk to me like that

So clearly I say that I have no strategic reason This soldier retreats perhaps to fight another day Swords broken, blows taken, uprise me for seeking, yeah

Don't you talk to me like that Don't you talk to me like that Don't you talk to me like that Don't you talk to me

I yield to you emotionally, yes baby Raise my shield to you, it's your victory Swords broken, words taken, I'm shattered, so think again Your words are your weapons, I'm rendered defenseless, yeah

Don't you talk to me like that Don't you talk to me like that Don't you talk to me like that Don'tcha, don'tcha, don'tcha

Don't you talk to me like that Don't you talk to me like that Don't you talk to me like that
