

I Can't Make You Love Me

Will Downing

Turn down the lights, turn down the bed
Turn down these voices inside my head
Lay down with me and tell me no lies
Just hold me close and don't patronize
Oh don't patronize me, please

'Cause I can't make you love me if you don't
You can't make your heart feel something that it won't
Here in the dark in these final hours
I will lay down my heart and I feel the power
But you won't, oh no, you won't
'Cause I can't make you love me if you don't

I close my eyes and then I won't see
The love you don't feel when you're holding me
Morning will come and I'll do what's right
Just give me till then to give up this fight
And I will give up this fight

'Cause I can't make you love me if you don't
And you can't make your heart feel something that it won't
Here in the dark in these final hours
I will lay down my heart and I feel the power
But you won't, oh no, no no, you won't
I can't make you love me if you don't, don't, don't

Hey listen
Can't make you love me
Can't make you love me
I can't make you love me, no no
Oh feeling the way that I do
I want you to love me that way too
And I need to feel you baby
But I can't make you love me
I can't do it without you
I can't make you love, make you love me
Make you love, make you love me
Make you love, make you love me, no no no
I can't, no no no, oh
Love me, make you love oh
