

# I Try

Will Downing

I tried to do  
The best I can for you  
But it seems not enough  
And you know I care  
Even when you're not there  
But it's not what you want  
(I want to give you)

You close your door  
When I want to give you more  
And I feel, I feel so out of place  
And you know it's true  
Don't you think I'm good enough for you?

Can't you see  
(Can't you see)  
That you're hurting me  
And I want this pain,  
I want this pain to stop  
So if you really care,  
I mean, if you really really care  
Then open up your heart to me

Yes, open up to me, to me, to me, to me  
And I really really tried

You know I that I try  
And I try and I try and I try to make you

And I try and tried and I tried and I tried  
And I tried and tried

You know that I tried  
And I need to be with you  
I tried, I need you  
You know that I wanted  
I'll do anything to keep  
You satisfied, my love  
(To see you through)  
Because I want you and I need you  
You know that I tried, I tried, I tried
