I tried to do
The best I can for you
But it seems not enough
And you know I care
Even when you're not there
But it's not what you want
(I want to give you)

You close your door
When I want to give you more
And I feel, I feel so out of place
And you know it's true
Don't you think I'm good enough for you?

Can't you see

(Can't you see)

That you're hurting me

And I want this pain,

I want this pain to stop

So if you really care,

I mean, if you really really care

Then open up your heart to me

Yes, open up to me, to me, to me And I really really tried

You know I that I try And I try and I try to make you

And I try and tried and I tried and I tried And I tried and tried

You know that I tried
And I need to be with you
I tried, I need you
You know that I wanted
I'll do anything to keep
You satisfied, my love
(To see you through)
Because I want you and I need you
You know that I tried, I tried, I tried
