

## If She Knew

Will Downing

8:45, I knew she'll be coming in real soon  
So everyday I come in early just to wait for her  
She'll sit at her desk  
Pull back her hair then spray perfume  
And as it fills the room  
I just close my eyes and I'll start to fantasize  
'Cause if she knew, would she come to me  
If she knew, would she run to me  
And then say, "I love you"  
Oh, I wonder what she'd do  
I wonder what she'd do if she knew, baby  
5 after 1 and usually she'd be back from lunch  
And I start to think of all these crazy things  
Oh where could she be, is there someone else  
Someone whose living out my dreams  
Why can't it be me  
I'm gonna say what's on my mind when she returns  
'Cause if she knew that I care for her  
If she knew, I'd be there for her and always  
I'd be true  
Oh, I wonder what she'd do  
I wonder what she'd do  
'Cause if I could tell her  
Say exactly what I'm feeling inside  
I would give my all to you  
Dedicate my life to you  
Hold you tight and never let go  
'Cause if she knew, would she come to me  
If she knew, would she run to me  
And then say, "I love you"  
Oh, I wonder what she'd do  
I wonder what she'd do  
If she knew that I care for her  
If she knew baby, I'd be there for her  
And always I'd be true, whoa  
I wonder what she'd do  
I wonder what she'd do  
If she knew  
Ooh baby  
Ooh if she knew
