8:45, I knew she'll be coming in real soon So everyday I come in early just to wait for her She'll sit at her desk Pull back her hair then spray perfume And as it fills the room I just close my eyes and I'll start to fantasize 'Cause if she knew, would she come to me If she knew, would she run to me And then say, "I love you" Oh, I wonder what she'd do I wonder what she'd do if she knew, baby 5 after 1 and usually she'd be back from lunch And I start to think of all these crazy things Oh where could she be, is there someone else Someone whose living out my dreams Why can't it be me I'm gonna say what's on my mind when she returns 'Cause if she knew that I care for her If she knew, I'd be there for her and always I'd be true Oh, I wonder what she'd do I wonder what she'd do 'Cause if I could tell her Say exactly what I'm feeling inside I would give my all to you Dedicate my life to you Hold you tight and never let go 'Cause if she knew, would she come to me If she knew, would she run to me And then say, "I love you" Oh, I wonder what she'd do I wonder what she'd do If she knew that I care for her If she knew baby, I'd be there for her And always I'd be true, whoa I wonder what she'd do I wonder what she'd do If she knew Ooh baby Ooh if she knew
