

Stella By Starlight

Will Downing

Have you seen Stella by starlight
Just standing among the moon layer
Have you seen my Stella?

The song a robin sings
Through years of endless springs
The murmur of a brook at evening tide
That ripples by a nook where two lovers hide

Oh, great symphonic theme
That's Stella by starlight
And not a dream
Oh, my heart and I agree
She's everything to me
Stella by starlight, Stella

That great symphonic theme
That's Stella by starlight
And not just a dream
Oh, my heart and I agree
She's everything to me
Oh, my Stella, oh Stella, my starlight
I'm missing you

Stella, my starlight
Stella, my starlight
My Stella
Oh, Stella, my starlight
Stella, my starlight

Oh, I still love Stella
Oh, you're my Stella
Starlight, starlight
You're mine, Stella
