

When Sunny Gets Blue

Will Downing

When Sunny gets blue
Her eyes get gray and cloudy, yea
And the rain begins to fall, pitter patter, pitter patter
Love is gone, so what can matter
No sweet lover man comes to call

When Sunny gets blue
She breathes a sigh of sadness
Like the wind that stirs the trees
Wind that starts the leaves to swaying
Like some violins are playing
Weird and haunting melodies

People used to love to hear her laugh, see her smile
That's how she got her name
Since that sad affair, she's lost her smile, changed her style
Somehow she's not the same but

Memories will fade
And pretty dreams will rise up
Where her other dreams fell through
Hurry new love, hurry near
To kiss away each lonely tear and hold her near
When Sunny gets blue

Oh people used to love to hear her laugh, see her smile
That's how she got her name
Since that sad affair, she has lost her smile and changed her s
tyle
Somehow she's not the same but

When Sunny gets blue
She breathes a sigh of sadness
Like the wind that stirs up the trees
Hurry new love, hurry near
To kiss away each lonely tear and hold her near
When Sunny gets blue
When my Sunny gets blue
