Will Downing

Welcome to my, to my, to my groove, yeah  
Welcome, welcome, welcome  
Welcome to this, to this, to this groove  
Welcome to my groove

Listen, just wanna do when the music starts moving you  
When the groove from this groove starts grooving you  
Something slick, something sweet, something smooth  
Hey, everybody, you're checking my groove

What you gonna do when the music starts moving you?  
When the groove from this groove starts grooving you  
Something slick, something sweet, something smooth  
Hey, everybody, you're checking out Will's groove

Groove, groove to you, to you  
To this groove  
To my groove, yeah  
Welcome to Will's groove

Welcome, welcome to this groove  
Welcome to Will's groove, yeah  
Welcome to Will's groove
