

# Wishing On A Star

Will Downing

I'm wishing on a star  
To follow where you are  
I'm wishing on a dream  
To follow what it means, yeah, yeah, yeah, yeah, yes

I'm wishing on a star  
To follow where you are  
I'm wishing on a dream  
To follow what it means, yeah

And I wish on all the rainbows that I see  
I wish on all the people who really dream  
And I'm wishing on tomorrow praying that it comes  
And I'm wishing on all the loving we've never done

I never thought I would see  
A time when you would be  
So far away from home  
So far away from me

Just think of all the moments that we have spent  
I just can't let you go, for me you were meant  
But I didn't mean to hurt you but I know  
That in the game of love you reap what you sow

And I, I feel it's time we should make up baby  
I feel it's time for us to get back together  
Make the best of things, oh baby  
When we're together yeah, I do, whether or never, my baby

I feel it's time for us to make up baby  
I feel it's time for us to get back together  
Make the best of things oh baby  
When we're together whether or never

I'm wishing on a star  
To follow where you are  
I'm wishing on a dream  
To follow what it means

And I wish on all the rainbows that I see  
And I wish on all the people we've ever been  
And I'm hoping on all the days to come and days to go  
And I'm hoping on days of loving you so, yes I, yes I am

I'm wishing on a star  
To follow where you are  
I'm wishing on a star  
And I'm wishing on all the rainbows that I see, yeah

I'm wishing on a star  
Yeah yeah yeah
