

Be Together Again

Will Hoge

One fine day when those clouds above have gone away
Oh I know I'll see you again
And when I do
We're worry cause I still be true
Oh and I know that we'll be together again
When night falls
Call my love
If you need a day just call
Oh and I know
I'll be running back to you
And I will find you no matter how far
No matter what you do
Oh and I know that we'll be together again
Together again when I see you walking by
Well you know it makes me feel so high
Fields of flowers blooming in my mind
And this love this love like ours
Know it gets a little bit sweeter every time
So when you don't feel so strong hold on hold on
Don't you know it won't be long till we're together again?
Together again
