

## Be Together Again

Will Hoge

One fine day when those clouds above have gone away  
Oh I know I'll see you again  
And when I do  
We're worry cause I still be true  
Oh and I know that we'll be together again  
When night falls  
Call my love  
If you need a day just call  
Oh and I know  
I'll be running back to you  
And I will find you no matter how far  
No matter what you do  
Oh and I know that we'll be together again  
Together again when I see you walking by  
Well you know it makes me feel so high  
Fields of flowers blooming in my mind  
And this love this love like ours  
Know it gets a little bit sweeter every time  
So when you don't feel so strong hold on hold on  
Don't you know it won't be long till we're together again?  
Together again
