Will Hoge

Lord, this time I tiptoed with your smile  
Lord, its been a long  
long, long while.  
Wise man, could you help me find  
Lord, the peace that's in my mind?  
I had it once upon a time  
Back when you were here with me  
and I flew so high and free.  
If I could write a song  
I'd sing it to you soft and low  
I don't know the words but this is how it goes:

la la la la la la la la la la la la la la la la  
la la la la la la la la la la la la la la la la
