

Ride Ride

will.i.am

Hey... hey... hey... hey...
Hey you, yeah you with the tight blue jeans
Little shorty 'bout five foot three
...with the long-ass weave, girl please
Allow me, to come thru and introduce myself
Let me tell you how the Legend was built
I look nice, and I sing real swell, damn well

Nigga please, better learn how to speak to me
Need to say my name properly
That's Charice spelled with a C, now leave
Cause I don't, got time for a nigga that's broke
Still rockin that Shalin coat
Wearin fashion that's three years old, oh no

Slow down, you're dealin with a big dog now
Lemme tell you how a playa get down
If you want to talk about my style, say wow
That's right, that truck over there is mine
And baby girl if you act real nice
Later on we can take it for a ride, in my ride

Ride ride ride ride, ride
Ride ride ride ride, ride
Ride ride ride ride, ride
Let's riiiiiiiide

Say word, later on I don't know if you heard
It's jumpin off at 1st & 3rd
Come early cause the line's absurd, yeah word

Okay, hit me up later on today
Leave a message on my two-way
I'ma go get a barbershop fade, a tight fade

Well let's meet, at the deli on 23rd Street
9:30 to get a bite to eat
Save room for a special treat, it's real sweet

Nah mean, now we's about to get obscene
Lemme tell you somethin about them jeans
I peel 'em off like a tangerine, strip clean

Is that a fact? You talkin like a real live mack
With the old school Cadillac
With three chicks and a mink in the back, I like that

Well, alright, now you talkin that language I like
I got a feelin that it's on tonight
Buck wild 'til the broad daylight, that's right

Ride ride ride ride, ride
Ride ride ride ride, ride
Ride ride ride ride, ride
Let's riiiiiiiide
