

## New Partner

Will Oldham

There's a black tinted sunset with the prettiest of skies  
Lay back, lay back, rest your head on my thighs  
There is some awful action that just breathes from my hand  
Just breaths from a deed so exquisitely grand

And you are always on my mind (4x)

Well, I would not have moved if I knew you were here  
Its some special action with motives unclear  
Now you'll haunt me, you'll haunt me  
Till I've paid for what I've done  
It's a payment which precludes the having of fun

And you are always on mind x4  
But hello, I've got a new partner riding with me  
I've got a new partner, hello

Now the sun's fading faster, we're ready to go  
There's a skirt in the bedroom that's pleasantly low  
And the loons on the moor, the fish in the flow  
And my friends, my friends still will whisper hello  
We all know what we know, it's a hard swath to mow  
When you think like a hermit you forget what you know

And you are always on my mind (4x)  
I've got a new partner, riding with me (3x)  
I've got a new partner now
