

## You Will Miss Me When I Burn

Will Oldham

When you have no one,  
No one can hurt you  
When you have no one,  
No one can hurt you

In the corners there is light  
That is good for you  
And behind you, I have warned you,  
There are awful things

Will you miss me  
When I burn, and will you eye me  
With a longing  
It is longing that I feel  
To be missed for, to be real

When you have no one,  
No one can hurt you  
When you have no one,  
No one can hurt you

Will you miss me  
When I burn,  
And will you close  
The others' eyes, it would be  
Such a favor  
If you would blind them

There is absence, there is lack  
There are wolves here abound  
You will miss me  
When I turn around

When you have no one,  
No one can hurt you  
When you have no one,  
No one can hurt you
