

Jaden's Interlude

Will Smith

What are you doing?
I'm just looking over there
You looking over there?
Yeah I'm just looking at the piano
You ready to come out yet?
No
You cool? You chillin'?'
Mmm hmm
It's all good?
Yeah
You gonna be quiet when mommy is singing?
Yeah
You can talk right now though
OK. How you gonna warm up?
Well hopefully if I keep doing it enough I'll get it right
Mom can I have some microphones? Can I have some earphones on?
Uuuhhhmmm Will? I don't know if they have extra, can Jaden have
earphones?
Oh there you go Jaden
OK
You can hear me?
Yeaaaahhhh
OK
Can I talk to my daddy?
Daddy can hear you
Hi daddy, what's up?
Can you hear me?
Yeah. Wooooow
But when the music starts you have to be quiet
