

# Nod Ya Head

Will Smith

We come to make it hot for you (woo)

When we get down with the black suits, baby  
Just let it loose up in here; go crazy  
The way your bouncin' and shakin'  
I know you're feelin' me  
So get up out ya seat  
Come on and nod ya head with me (nod ya head)

When we get down with the black suits, baby  
Just let it loose up in here; go crazy (let me see you nod ya head)  
The way your bouncin' and shakin'  
I know you're feelin' me  
So get up out ya seat  
Come on and nod ya head with me

I am the man in black  
I'm back  
Breakin' the back of the random attackers  
So can the flack.  
Yo, I'm dangerous  
I've been trained to bust  
when the strange of us try to endanger us.  
Praise me me ya'll  
Don't nothin' phase me ya'll  
When they see me they gaze be all crazy , ya'll  
They say I'm a myth  
trust me when if somebody rip  
Out of the depths of your imagination so here's Will Smith.

Black suit, the black shades  
the black shoes, black tie with the black attitude  
New style black ray-bans, I'm stunnin' man.  
New hot in this pitch black 600 man.  
Don't you understand?  
What you thought I wouldn't come again  
Leave you hangin' without bringin' you the fun again.  
Tanglin' with the alien scum again.  
Mind your manners or the black suits runnin' in.

(nod ya head!) When we get down with the black suits, baby  
Just let it loose up in here; go crazy (let me see you nod ya head)  
The way your bouncin' and shakin'  
I know you're feelin' me  
So get up out ya seat  
Come on and nod ya head with me (nod ya head)

Chased away by the black suits, shades and clothes.  
We above the law,  
Feds can't touch me, ya'll.  
Highly ranked, black blank ID cards.  
So disregard what you think you saw.  
Put that phone down, now  
Who you think you callin', huh?  
One little flash then... goodnight dear.  
Just open your eyes, hunny; look right here.  
Thank you.

Mission completed  
I mean it we won't be defeated  
You seen it we did it  
Even with weapons depeleted  
Galaxy defenders don't act like you don't remember  
Taking contenders and provin' they only pretenders.  
Ladies and Gentleman, boys and girls  
The Men is Black is back to protect the world  
When the enemy is near the elites is here  
So have no fear  
just let me see you ..
