

# I Won't Give Up

Will Young

Went to see the world  
Met some pretty people  
Now I know what I'm not looking for  
They say its close to home  
That is where you'll meet them  
What I found makes it hurt the more  
And ooh and now and now and now you're here  
But your still no nearer  
I'm hanging because

You might need love someday  
I wont give up  
Don't know don't care how long  
I'm just gonna sit here till you  
Come around to me oh no  
I wont give up  
Don't tell me should I give up  
I couldn't if I knew how  
I will worship you  
Put you on a pedestal  
And always let you know your beautiful  
You're my drop of sun  
Wont you let me into your life  
You don't see it but I'm good for you  
And oh here I go I go I go again  
And I'm still no nearer  
But ill hang right on because  
You might need love  
Someday, I wont give up  
Don't know don't care  
How long in just sit gonna sit here till you  
Till you come around to me  
Oh no I wont give up  
You need me some how  
I'm telling you but you don't know it  
Its just matter of time  
Some day you'll see  
That you and me got something going on  
And on and on and on  
On and on  
Just stop thinking that you're alright  
I cant help you [repeat 4x]

You might need love someday  
I wont give up  
Don't know don't care how long  
I'm just gonna sit here till you  
Come around to me oh no  
I wont give up  
Don't tell me should I give up  
I couldn't if I knew how (4x)
