

Love the One You're With

Will Young

If you're down and confused
And you don't remember who
You're talking to
Concentration slips away
Cos your baby is so far away

And there's a rose in a fisted glove
And the eagle flies with the dove
And if you can't be with the one
You love honey
Love the one you're with

Don't be angry don't be sad
Don't sit crying over good
Times you had
There's a girl, right next to you
And she's just waiting for something
To do

And there's a rose in a fisted glove
And the eagle flies with the dove
And if you can't be with the one
You love honey
Love the one you're with

Turn your heartache right into joy
She's a girl and you're a boy
So get it together make it nice
And you won't need any more advice

And there's a rose in a fisted glove
And the eagle flies with the dove
And if you can't be with the one
You love honey
Love the one you're with
