

U Think I'm Sexy

Will Young

Seems to be the way that I have changed on the inside
The only thing I care about is love living my life
Now I know that I just need to be myself
If I lead you will follow

OOOH baby please! u think I'm sexy
OOOH yeah please! u think I'm sexy

My heart is talking to my hip bones
They want me to move all the time
My feet are moving to the undertones
I drank the spiritual wine, oh

Now there's mass hysteria
Feeling all this heat in here
I can't stop moving all the time, yeah

OOOH baby please! u think I'm sexy
OOOH yeah please! u think I'm sexy

OOOH baby please! u think I'm sexy

OOOH baby please!

Now there's mass hysteria
Feeling all this heat in here
I can't stop moving all the time, yeah

OOOH baby please! u think I'm sexy
OOOH yeah please! u think I'm sexy
