

# What's in Goodbye

Will Young

What's in goodbye  
An empty world without a heart  
Saddens me each time I hear it  
Keeping us apart  
What's in goodbye

How cruel and so insensitive  
Maddens me each time I hear it  
How unkind it is, oh it is

Stuck in a cloud full of cold weather  
Somewhere in time  
Counting the tears as I remember  
Drowning in sunshine

What's in goodbye  
A place so vast and insincere  
saddens me each time I hear it  
Yeah, yeah, yeah, yeah

Ooh, ooh, ooh

La da da da da da da da

Stuck in a cloud full of cold weather  
Somewhere in time  
Counting the tears as I remember  
Drowning in sunshine

Counting the tears  
The tears that I cried  
As you walked away  
As you said goodbye

Goodbye
