

I Wanna Be Bad

Willa Ford

Oh, I, I, I
I wanna be bad with you baby
I, I, I, I
I wanna be bad with you baby

Do you, understand what I need, need (from you)
Just let me be the girl to show you (you)
Everything that she can be is everything that I can be
I wanna be
My turn
Let me let you know that I can (I can)
Promise that I won't do that
So boy, say the time and place cuz you make me wanna misbehave

I wanna be bad
You make bad look so good
I got things on my mind
I never thought I would
I, I wanna be bad (bad)
You make bad feel so good
I'm losing all my cool
I'm about to break the rules
I, I wanna be bad

I wanna be bad with you baby
I, I, I, I, I wanna be bad with you baby

What's up?
Tell me what to do, how to be, teach me
All you your rules from A to Z,
But I, I dont wantcha other girls to see
that youre messin' round with me

Should I boy
Tell me what I got is what ya want
Tell Tell me do I, I turn you on
I don't want no one judging me

I wanna be bad
You make bad look so good
I got things on my mind
I never thought I would
I, I wanna be bad (bad)
You make bad feel so good
I'm losing all my cool
I'm about to break the rules
I, I wanna be bad

I wanna be bad with you baby
I, I, I, I, I wanna be bad with you baby
I, I
(2x)

I wanna be bad
You make bad look so good
I got things on my mind
I never thought I would

I, I wanna be bad (bad)
You make that feel so good
I'm losing all my cool
I'm about to break the rules
I, I wanna be bad
