

# Prince Charming

Willa Ford

Prince Charming can you rescue me  
Are you real can you make me feel  
Feel unreal

Prince charming  
Oh yeah oh ah oh  
Prince Charming

He rides a great white horse not a greyhound bus  
He's a gentleman  
Not a hip-hop thug  
See him in my dreams  
Hate when I wake up  
Still holding on  
People think I'm nuts  
But soon he'll come and call for me  
And take me from reality

Prince Charming can you rescue me  
Are you real can you make me feel  
Feel unreal  
Prince charming  
I believe in you  
Fairy tails can come true so I will wait for you

Prince charming  
Oh yeah oh ah oh

Tell me how ill know  
Does he wear a crown  
Have you found him yet  
He must be out of town  
Body like a rock, likes to serenade  
And I will wait for just one kiss

Prince Charming can you rescue me  
Are you real can you make me feel  
Feel unreal  
Prince charming  
I believe in you  
Fairy tails can come true so I will wait for you (2x)
