

# In My Blood

William Beckett

I gotta stop and remember what my mother said:  
It's in my blood  
And I don't want to dampen the experience  
Of living and learning and love

I've got plans to make and hearts to break,  
even if that heart is in my chest  
And another thing,  
I wouldn't bet on this ending well

Oh, oh, oh, one night, one time is not enough  
Oh, oh, oh, in the moment I can't help myself  
In the morning I'm gonna feel like hell  
But I do it anyway

Don't get me wrong, it's not like I enjoy it  
But I'm too far gone  
And I've fought, climbing up the mountain  
But I'm never quite reaching the top

I've got plans to make and hearts to break  
Even if that heart is in my chest  
And another thing, I wouldn't bet on this one ending well

Oh, oh, oh, one night, one time is not enough  
Oh, oh, oh, in the moment I can't help myself  
In the morning I'm gonna feel like hell  
But I do it anyway

I've got plans to make and hearts to break  
Even if that heart is in my chest  
And another thing, I wouldn't bet on this one ending well  
No, this won't end too well

Oh, oh, oh, one night, one time is not enough  
Oh, oh, oh, in the moment I can't help myself  
In the morning I'm gonna feel like hell  
But I do it anyway

I've gotta stop and remember what my mother said:  
It's in my blood
