

## Atmosphere

William Control

Walk in silence  
Don't walk away, in silence  
See the danger  
Always danger  
Endless talking  
Life rebuilding  
Don't walk away

Walk in silence  
Don't turn away, in silence  
Your confusion  
My illusion  
Worn like a mask of self-hate  
Confronts and then dies  
Don't walk away

People like you find it easy  
Naked to see  
Walking on air

Hunting by the rivers  
Through the streets  
Every corner abandoned too soon  
Set down with due care  
Don't walk away, in silence  
Don't walk away
