

# Why Dance With The Devil When You Have Me

William Control

Prescription pills, darvocet, oxycontin, mescaline And a whole array of synt  
hetic medicine

Crystal glass, ketamine, heroin, cyanide dream

And a whole generation laughs

It's not the drugs that killed your mom

It's not the blade that raped your brother

A whole world is suffering

Can't be the love we lost as children

Can't be the price of a thousand prostitute graves

Nobody loves here, everybody hates

I will survive

Why are you dancing with the devil?

I will survive

Why are you dancing with the devil?

When the sun sets down on my heart

When the sun sets down I'm a star

Why dance with the devil when you have me?

I feel so alone in a state of depression,

At an all time low

Closed in, in deception

Where nobody would know

Lysergic acid, psychoactive, morphine, coke, sodomy

At war with society

Self-medication, codeine supply, self-mutilation

Sex taught suicide

It's not the drug that killed my soul

Not the pain of losing blood

In a ghost town paid symphony

Can't be the love we lost as children

Can't be the price of fucking saving your skin

Nobody loves here, everybody hates

I will survive

Why are you dancing with the devil?

I will survive

Why are you dancing with the devil?

When the sun sets down on my heart

When the sun sets down I'm a star

I will survive

Why are you dancing with the devil?

I will survive

Why are you dancing with the devil?

When the sun sets down on my heart

When the sun sets down I'm a star

Why dance with the devil when you have me?

My mind is cracked

My mind is trapped

My spine is tapped

A little bit of lean

Feels like I'm on cyanide, methamphetamines

Burned, churned  
Nightmares, dreams  
Heaven, hell  
Help me, please  
Screams, yells  
Yearning, laughing  
Anything could happen  
I feel so trapped in  
Nobody loves me, everybody hates  
Suicidal mind stays slipping on a plate  
Poison in my veins  
Nobody cares if I live, if I die  
No reason to be here  
Ease the pain, vicodin to settle down  
Oughta be going crazy  
I got to settle in  
I feel a little hazy  
A little heroin, I close my eyes  
Never to awake again
