

Even Now

William Fitzsimmons

How long should I wait before I let you go
How long should I decide

Whose side should I take when both of us were wrong
When we both share the blame

Oh but I love you Evn still even now, Even though we fell
apart
Even still even now
But I hope we'll meet again

Whose eyes will you look in when love is in your heart
whose hand will hold your ring
whose voice will serenade to help your baby sleep
to make it all ok

Know that i love you even still even now even though we
fell apart
even still even now
and I hope well meet again

Even stll even now even though we fell apart
even still even now
and i hope you'll be ok
