

## Even Now

William Fitzsimmons

How long should I wait before I let you go  
How long should I decide

Whose side should I take when both of us were wrong  
When we both share the blame

Oh but I love you Evn still even now, Even though we fell  
apart  
Even still even now  
But I hope we'll meet again

Whose eyes will you look in when love is in your heart  
whose hand will hold your ring  
whose voice will serenade to help your baby sleep  
to make it all ok

Know that i love you even still even now even though we  
fell apart  
even still even now  
and I hope well meet again

Even stll even now even though we fell apart  
even still even now  
and i hope you'll be ok
