

# Forsake All Others

William Fitzsimmons

I've waited for this day for such a long time  
you are everything i've waited for  
if memory says i might be disappointed  
cause a lifetime here with you will seem to short

all i see is white that's coming towards me  
all i've wanted you within my arms  
if it's required that i forsake all others  
i'll do that and more

i've waited for this day for such a long time  
i hope that i can be what you deserve  
i hope the days get longer  
and make this love grow stronger  
god will be the strength and our reason
