

# Heartless

William Fitzsimmons

In the night I hear 'em talk  
The coldest story ever told  
Somewhere far along this road  
He lost his soul  
To a woman so heartless...  
How could you be so heartless... oh  
How could you be so heartless?

How could you be so  
Cold as the winter wind when it breeze yo  
Just remember that you talking to me yo  
You need to watch the way you talking to me you know  
I mean after all the things that we been through  
I mean after all the things we got into  
And yo I know of some things that you ain't told me  
And yo I did some things but that's the old me  
And now you wanna get me back  
And you gon' show me  
So you walk around like you don't know me  
You got a new friend  
Well I got homies  
But in the end it's still so lonely

In the night I hear 'em talk  
The coldest story ever told  
Somewhere far along this road  
He lost his soul  
To a woman so heartless...  
How could you be so heartless... oh  
How could you be so heartless?

How could you be so Dr. Evil  
You're bringing out a side of me that I don't know  
I decided we weren't gonna speak so why we up 3 a.m. on  
the phone  
Why does she be so mad at me for homie I don't know she  
's hot and cold  
I won't stop won't mess my groove up cause I already  
know how this thing goes  
You run and tell your friends that you're leavin' me  
They say that they don't see what you see in me  
You wait a couple months then you gon' see  
You'll never find nobody better than me

In the night I hear 'em talk  
The coldest story ever told  
Somewhere far along this road  
He lost his soul  
To a woman so heartless...  
How could you be so heartless... oh  
How could you be so heartless?

Talkin' talkin' talkin' talk  
Baby lets just knock it off  
They don't know what we been through  
They don't know 'bout me and you  
So I got something new to see

And you just gon' keep hatin' me  
And we just gon' be enemies  
I know you can't believe  
I could just leave it wrong  
and you can't make it right  
Im gon' take off tonight  
Into the night...

In the night I hear 'em talk  
The coldest story ever told  
Somewhere far along this road  
He lost his soul  
To a woman so heartless...  
How could you be so heartless... oh  
How could you be so heartless?
