(Has Been)

You talkin' to me? You talkin' to me?  
You calling me has been?  
What'd you say your name is?

(Jack)  
(Never Done Jack)

Glad to meet ya. Who's your friend?

(Dick)  
(Don't Say Dick)

What do ya know. And you friend,  
what's your handle?

(Don)  
(Two-Thumbs Don)

Riding on their armchairs,  
they dream of wealth and fame.  
Fear is their companion,  
Nintendo is their game.  
Never Done Jack and Two-Thumbs Don  
and side-kick Don't Say Dick  
will laugh at others failures  
though they have not done shit.

I heard of you, the ready made  
connecting with the ever ready.  
Yeah, never was talking about  
Still trying. I got it.  
Forever better gossiping about  
never say die.

May I inquire about what  
you've been doing, mister..

(Jack)  
(Never done jack)

And you, partner, what's the  
news of the world, Dick?

(I don't say dick)

Don, of all the people,  
you must be the tattler.

(Two-thumbs up)

What are you afraid of, failure?  
So am I.

(Has been)

(Has been)

Has been implies failure. Not so.

(Has been)

Has been's history. Has been, was.

(Has been)

Has been, might again.
