

# Move Me

Willie Dixon

Yeah, shake me, baby  
Like a leaf on a willow tree  
Yeah, shake me, pretty baby  
Like a leaf on a willow tree  
I told you to shake me so long  
'Till cold chilllls run all over me

Rock me, mama  
Just like grampa  
In his old rockin' chair  
Yes, rock me, pretty baby  
Like grampa  
In his old rockin' chair  
I want ya to rock me so long  
'Till you send me away from here

(sax & instrumental)

Yes, roll me, baby  
Just like gramma roll her dough  
Yes, roll me, baby  
Just like gramma roll her dough  
I want you to roll me one time  
Like you never rolled befo'.
