

## Are You Sure

Willie Nelson

Oh, look around you  
Look down the bar from you  
The lonely faces that you see  
Are you sure that this is where you want to be

These are your friends  
But are they real friends  
Do they love you the same as me  
Are you sure that this is where you want to be

You seem in such a hurry to live this kind of life  
You've caused so many tears and misery

Look around you, take a good look  
And tell me what you see  
Are you sure that this is where you want to be

Don't let my tears persuade you, I had hoped I wouldn't cry  
But lately, teardrops seem a part of me

Oh, look around you, take a good look  
At all the lonely used-to-be's  
Are you sure that this is where you want to be
