

# Ashamed

Willie Nelson

I'm so ashamed of my eyes cause they still cry for you  
After they both watched my hand wave goodbye to you  
I've told them time and time again that this will never do  
And I've told them how you always laughed at teardrops  
I'm so ashamed of my arms for missing you  
Last night I woke up just in time to see them reach for you  
And now my heart confesses it's still wants you too  
I'm so ashamed of them all for loving you
