

Be There for You

Willie Nelson

It's the way that you kiss me
It's the way that you don't
It's the way that you'll miss me
When you swear that you won't

There's a feeling you give me
When we talk on the phone
God, I hope you outlive me
So I'm never alone

And whatever you do, I will be there for you
Through the thunder the wind and the rain
And whatever you do, I will promise to you
I will be there,
I will be there for you

I may lack social graces
But I won't swallow my pride
See there are millions of places, I could be
But I'm here by your side

And whatever you do, I will be there for you
Through the thunder the wind and the rain
And whatever you do, I will promise to you
I will be there,
I will be there for you

Though there's nothing to guide us
We will weather the storm
Till the heavens divide us
I'll keep you from harm

And whatever you do, I will be there for you
Through the thunder the wind and the rain
And whatever you do, I will promise to you
I will be there,
I will be there for you

And whatever you do, I'll be there for you
Through the thunder, the wind, and the rain
I will always be true, this I promise to you
I will be there
I'll be there for you
