

# Black Night

Willie Nelson

Nobody cares about me  
Ain't even got a friend  
Baby's gone and left me  
When will my troubles end

Black night is fallin'  
Oh, how I hate to be alone  
I keep crying for my baby  
But now another day is gone

I've got no one to talk with  
To tell my troubles to  
Don't even know I'm living since I lost you  
Black night is fallin'  
Oh, how I hate to be alone  
I keep crying for my baby  
But now another day is gone

My mother has her troubles  
My father has his too  
My brother's in Korea  
And I don't know just what to do

Black night, black night is fallin'  
Oh, how I hate to be alone  
I keep crying for my baby  
But now another day is gone
