Black Night

Willie Nelson

Nobody cares about me Ain't even got a friend Baby's gone and left me When will my troubles end

Black night is fallin' Oh, how I hate to be alone I keep crying for my baby But now another day is gone

I've got no one to talk with To tell my troubles to Don't even know I'm living since I lost you Black night is fallin' Oh, how I hate to be alone I keep crying for my baby But now another day is gone

My mother has her troubles My father has his too My brother's in Korea And I don't know just what to do

Black night, black night is fallin' Oh, how I hate to be alone I keep crying for my baby But now another day is gone
