

Comes Love

Willie Nelson

I can hear the wind blowing in my mind
Just the way it used to do through the Georgia pines
And you were there to answer when I called
You and me, Lord knows, we had it all

Remember how I used to touch your hair, baby
Looking for the feeling, it was always there
You're the best thing in my life I can recall
Yeah baby, you and me, we had it all

I know that we can never live those times again
And I get old feelings that I'll be there back again
And I'll stay with you girl just as long as I can
'Cause it was so good, oh, it was so good, you know
Yes, it was so good when I was your man

And I'll never stop believing in your smile
Even though, you didn't stay, it was all worth while
And I know that beneath of it all, baby
Just you and me, we had it all

You and me, we had it all
You and me, we had it all
