

# End Of Understanding

Willie Nelson

Each time you hurt me you say you're sorry I try to understand  
and say okay  
But there must be an end to understanding and the end of mine c  
an't be too far away  
I try to understand you're only human and we all make mistakes  
every day  
But there must be an end to understanding and I know that I jus  
t can't go on this way  
Don't you know that love and understanding go together  
Ask too much of one and both will die  
And there must be an end to understanding  
And I know someday I'll reach the end of mine  
And I know someday I'll reach the end of mine
