

## Faded Love

Willie Nelson

When I look at the letter that you wrote to me  
It's you that I'm thinking of  
As I read the lines that to me were so sweet  
I remember our faded love

I miss you darlin' more and more every day  
As heaven would miss the stars above  
With every heartbeat I still think of you  
And remember our faded love

As I think of the past and all the pleasure we had,  
As I watch the mating of a dove,  
And it was in the springtime that we said goodbye.  
I remeber our faded love.

I miss you darlin' more and more every day  
As heaven would miss the stars above  
With every heartbeat I still think of you  
And remember our faded love
