## **Freight Train Boogie**

## Willie Nelson

Casey Jones he was a mighty man
But now he's resting in the promised land
The kind of music he could understand
Was an eight wheel driver under his command

He made the freight train boogie All the time He made the freight train boogie As he rolled down the line

When the fireman started ringing the bell Everybody hung around to tell Casey Jones was a coming to town, on a six Eight wheeler that was flat on the ground
