

Frosty the Snowman

Willie Nelson

Frosty the snowman was a jolly happy soul
With a corncob pipe and a button nose and two eyes made out of coal
Frosty the snowman is a fairy tale they say
He was made of snow but the children know how he came to life one day

There must have been some magic in that old silk that they found
For when they placed it on his head he began to dance around
Oh Frosty the snowman was alive as he could be
And the children say he could laugh and play just the same as you and me

Frosty the snowman knew the sun was hot that day
So he said let's run and have some fun now before I melt away
Down to the village with a broomstick in his hand
Running here and there all around the square saying catch me if you can

He led them down the streets of town right to the traffic cop
And he only paused a moment when he heard him holler stop
Frosty the snowman had to hurry on his way
But he waved goodbye saying don't you cry I'll be back again some day
