

Half A Man

Willie Nelson

If I only had one arm to hold you
Well better yet if I had none at all
Then I wouldn't have two arms that ache
For you there'd be one less mem'ry to recall
If I only had one ear to listen to
The lies that you told to me
Then I more closely resemble
The half a man that you've made of me
If I only had one leg to stand on
Then how much how much truer picture you'd see
'Cause then I more closely resemble
The half a man that you've made of me
